

# Brownies Discover the World

“Together we can change our world!”

In celebration of World Thinking Day, the Los Angeles Council of Hostelling International USA invites local Brownie troops to a fun program in February.

The HI-Los Angeles South Bay hostel is located in Angel's Gate Park in San Pedro and sits as an ideal place for Girl Scouts to reflect on sisterhood and people around the world.

Our two-day/one-night World Thinking Day program is full of fun! *Brownie Girl Scouts Around the World* try-it activities and the chance for your girls to earn the *Discover The World* patch. The price is \$45 per girl with a \$10 per person nonrefundable deposit. The program includes a hostel overnight, afternoon snack, dinner, dessert, and breakfast, and the *Discover the World* patch. Troops must bring their Saturday lunch.

Please call or email Stephanie Rizzi for more details and to RSVP, (310) 393-6263 x23 or [sarizzi@lahostels.org](mailto:sarizzi@lahostels.org).
